

The 4th edition of **Benchmark Litigation**, *The Definitive Guide to America's Leading Litigation Firms and Attorneys*, recognizes **Young & Susser** as a recommended litigation law firm and also identifies **Rodger Young** as a Michigan litigation star, and **Steven Susser** as a future star.

Benchmark Litigation goes on to say that litigation boutique Young & Susser is mentioned by several lawyers in the community as a “firm to watch, whether you love them or hate them. “ Located in Southfield, the firm was founded in 1991 by maverick attorney **Rodger Young**, who competitors acknowledge as “formidable – this is not a ‘future star’, this is a litigation machine who was George W Bush’s choice to be US Representative to the United Nations General Assembly.” **Steven Susser** has tried numerous commercial cases and has argued before the Sixth Circuit Court of Appeals, and the Federal Circuit Court of Appeals. One peer remarks, “The firm is not deep at all, and they seem to have no desire to get any broader than they are. But frankly, why should they? Their main litigators are excellent.”
